

ROLL-A-RAMP® BOAT AND MARINE RAMP SYSTEM

*Board safely and comfortably with the versatile ramp for marine use.
Roll-A-Ramp® fits any situation—at that time, at that location.*

SUPERIOR SOLUTION FOR THE BOAT AND MARINE MARKET:

Tour boat operators (providing access for customers)
Marina operators (providing pier-to-boat access)
Watercraft operators (all types)

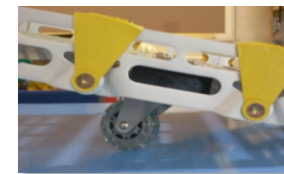

Pictured: 30" x 8' Boat Ramp, 1 handrail w/ Loop-End upgrade and secured with optional Seg-Mount Brackets

- Ramp is available in four widths
- 22", 26", 30", 36"
- Provides safe access to watercraft
- Limits risk of falls
- Makes public crafts compliant
- Also for loading supplies, pets, etc.

Included in base package:

- ♦ Roll-A-Ramp® (select length & width)
- ♦ Upper load bearing approach plate
- ♦ Lower wheeled approach plate
- ♦ Caster wheels for 360° movement
- ♦ Quick Pins (divide ramp into smaller sections)
